Be Kind

In a world where you can be anything, be kind. Please help me to remind your children about the golden rule we have at Hyland House- Be kind. As a Christian school it is important that we practise what we believe in. The Bible says Treat others the same way you want them to treat you, Luke 6:31 (Amplified Bible).

Headteacher's Greeting

Dear Parent/Carers

We have now come to the end of the school year and we have come this far by faith leaning on the Lord. As I reflect, I can only see the blessings of God who said in His words in Joshua 1:9: Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest. This was one of the scriptures which we used to encourage each other during our recent Ofsted Inspection. We continue to wait for the published report which will be out sometime during the Summer holiday.

In June we had our sports day, your presence and participation was highly appreciated. It was exciting to see the children participating and having so much fun. However, the highlight for me was the competitive nature of the adults who came to support the children. This all helped to make the day even more exciting. I am already looking forward to next year where hopefully we can make it bigger and better. If you believe that you would be able to help, please let us know. In the month of June we were fortunate to have Steve Frew visiting our school. He is a former Commonwealth Gold medallist in gymnastic. He got this wonderful opportunity through an organisation called Sports for Schools. We participated in the sponsorship activity and through your support we managed to raise £1170 and we were given £639.00 in sports vouchers to purchase equipment for our school. I would like to thank you, your family and friends for your contributions; we have registered our interest to have another athlete next school year.

Our annual graduation, 100th year anniversary church service and concert was very successful. I would like to thank you all for your presence and your contributions. It was a tremendous experience to be amongst so many alumni, friends and well-wishers. The presence of the British Union Conference president, South England Conference president, former presidents, former Education directors, some former Headteachers and other dignitaries made this even more special. I am sure you will be keen to join us as we build on the momentum from this special occasion.

The annual School Fete provided another opportunity to celebrate our 100th year of existence as a school. The wide range of stalls, delectable foods allowed patrons the chance to mingle and enjoyed their time. I want to thank you for your contributions as well as your presence. We were also richly blessed by the contributions from the local fish monger, green grocers and Dee's Imports who made generous donations. During this great social gathering I was able to pique the interest of several prospective parents.

This month we received our KS2 SATs results and our children did really well. Here are the results:

- Grammar 100% achieved the standard with 60% exceeding.
- Mathematics, 80% achieved the standard with 20% exceeding.
- Reading Comprehension 100% achieved the standard with 20% exceeding.

We are immensely proud of them for their achievements as these standards are better than national standards and also better than the local authority. I would like to acknowledge the work of the staff over the years to help them get to this stage and you must be commended as well for sending them to school consistently and supporting the school throughout their time here. I am sure you will join me as we wish our fantastic year six pupils God's blessings in the next phase of their academic pursuits. They have already enjoyed an evening out in the City and will celebrate more at their prom.

Our school has been fortunate to have some very dedicated teachers. Mrs Smith who has been at the school for approximately 41 years has decided it's time to retire. We would like to wish her God's richest blessings during her retirement. I want to thank her for the time that she has served the school. Mrs Smith will certainly be missed. To take her place we will welcome Miss Aaliyah Doyley who will be teaching year 1 and 2. She will come to us with lots of experience from working in the public schools. She will have a lot to offer our school.

As you begin to enjoy your holidays, I would like to encourage you to check your child's health records that they are up to date with their routine immunisation. If you discover that your child is missing any, please contact your GP. Recently there has been the detection of polio in sewage samples from London and the NHS is recommending booster vaccines to ensure that children are fully protected. There is a similar situation with MMR immunisation especially in London with many children under vaccinated and unprotected (children require 2 doses to be fully protected). Measles has been reported in Haringey recently so the health authorities would like you to take precautions.

I wish you all an enjoyable, safe holiday.

Mr Errol Gayle

Important Reminders ATTENDANCE/PUNCTUALITY

As we prepare for September, please be reminded that your children need to be at school before 9am. We intend to start promptly each day so we are not losing time. If your child is only 5 minutes late each day by the end of the week they would have lost 25 minutes at the end of the month your child would have lost 100 minutes of learning. This is significant and could make the difference between your child achieving rapidly or learning being stagnated.

There were 3 pupils who excelled in their attendance this year-they had 100% attendance.

Congratulations to the on this phenomenal achievement. The challenge will be on next year to see who can get 100% in their attendance.

Diary Dates

END OF YEAR – SUMMER HOLIDAY:
FRI. 7th JUL. -MON. 4th JUL. 2023

Autumn Term 1

Tues 05.09.23	Staff Inset & Registration Day
Wed. 06.09.23	Children return to school 9:am

Thu. 28.09.23	HSA Meeting(Zoom) 6:pm

Throughout OCT. Black History Month (TBC)

HALF TERM HOLIDAY: MON. 23rd to Fri. 27th OCT. 2023

SAFEGUARDING

Safeguarding is everybody's responsibility.

Children have a right to be cared for and protected; protecting them is everyone's responsibility. Here at Hyland House School we have a duty of care to ensure that all users of the school are kept safe from harm. We are committed to provide a secure and supportive environment in which children can develop and grow into mature and responsible people. Safeguarding children is an essential part of our holistic approach to ensure that children are protected from abuse and neglect and that every child reaches their full potential. If you would like to report a concern, please call our school office and ask to speak to our DSL who is

Mr. Tencho.
