## Headteacher's Greeting

Mr Errol Gayle

**The last month presented an opportunity for us to build on the positive start to the school year. We enjoyed a range of activities which added to the cultural capital we provide for our pupils.**

The photograph day was well supported and your feedback is much appreciated. We are looking forward to taking on board the positive suggestions so this experience can be more meaningful and affordable to everyone.

On Thursday 5th October, we were blessed with the visit of representatives from **Service Now**. The team brought gifts for every child and spent the morning inspiring them. They were extremely impressed with our amazing pupils who treated them to an exhilarating assembly.

Thanks to your generous contributions we were able to raise £312.04 for Stoke Newington Church feeding the Homeless project during our Harvest. It was great to see everyone who was able to come out and support the children.

Years 1 & 2 enjoyed a tremendously enriching experience at the Royal Mews. This was a wonderfully planned learning opportunity for the children to compliment what they were learning in class. We are delighted and looking forward to organising more trips this school year.

Our year 6 pupils visited Stanborough Secondary School where they were given a taster of what life in a Seventh day Adventist Secondary School would be like. The children expressed that it was a fulfilling experience and many of them wished they were able to attend the school.

Lunch is being provided again. I know this will make many of you very happy. It is my desire to continue with this beyond the end of this term; please keep us in your prayers. Let us pray that God will provide the means which are necessary to sustain lunch provision.

I would like to thank you for being part of the Hyland House School community. I appreciate your positive contributions. Our school is blessed to have so many willing, talented, caring and kind parents and carers. If you would like to get involved more in the school, please don't hesitate to let me know. God bless you all.

As a parent/carer you are responsible for making sure that your child attends the school at which he/she is registered regularly and punctually.

#### What happens if my child is unwell?

Children do become ill on occasions, but it's important that regular attendance is maintained as far as possible. Don't let minor or trivial ailments stop your child from attending school. The school will always contact you if your child is too unwell to complete the school day. If your child is absent, you must call the school on the first day. If no contact is made the school will contact you. If we are unable to contact you, we will carry out a home visit.

#### What will happen if my child does not attend school?

If your child fails to attend school regularly and the absences are unauthorised, as a parent/carer you are guilty of an offence under Section 444 of the Education Act 1996.
